Quality, Charm And Space For Families

Replicating the character, warmth and charm of the historic bay window villa, this c.1999 four bedroom home is today's top choice for young families, first home buyers, investors and more.

The idyllic setting features the peace and quiet of a no-through-road location, while the picturesque Woodland Reserve is just steps from home and coffee catch-ups at the bustling Lakeside Café are within a pleasant stroll.

Four generous bedrooms with robes provide the flexibility families need to establish snoozy bedrooms with home office options. And while this cutie basks in a charming aesthetic, it delivers all the design perks of modern day living.

This home has all the answers... a master bedroom with a walk-in robe and ensuite, two large living and dining spaces united by a central kitchen, three-way bathroom amenities, solar panels, a roller door carport and plenty of parking.
