Family home in a quiet pocket, uncompleted high-end renovation

In a picture perfect, quiet, no through street just moments to all Chatswood has to offer, this unique home presents an exceptional opportunity. The predominately full brick residence has undergone an array of high-end luxury renovations, with the footprint in place for excellence and now just the finishing touches needing to be completed to create your own masterpiece. Highlights of this enticing property include a lavish designer kitchen, three deluxe bathrooms, beautiful travertine flooring and a separate access lower level self-contained retreat that offers superb options for flexible family living. It rests on a 556 sqm block which is peaceful and enjoys a simply beautiful green outlook at the rear. Secure your families future and finish off your forever home a stroll to the bus and close to Chatswood Station, Chatswood's fabulous shopping and dining and Chatswood High School.

- Quiet no through street, backs onto green space
