The Luxe Life

Nestled in a quiet cul-de-sac in popular Sunshine Bay, a fusion of industrial and contemporary, this family home is designed to soak in the northerly sun. The heart of the home is the kitchen, a bold statement perfectly positioned to bring the family together while overlooking the spacious living area and the outdoor covered BBQ zone. It's an ideal layout for those who love to entertain with both shared and separate spaces.

Featuring four generous bedrooms and a designated office with its own external access, this property offers flexible living. The master-built home showcases quality construction with attention to detail throughout, ensuring long-lasting aesthetic appeal.

For those who value space, the property includes a double lock-up garage with workshop and plenty of storage plus an impressive separate garaging with over 3-meter-high clearance-perfect for storing all your toys. The fully fenced yard is also a standout, complete with a putting green for a touch of fun.

Ready for your coastal move, this gorgeous home combines style and function. A home to be proud of, a home to impress, a home that can be yours.
