This home is ideal for a large family with an abundance of space internally. Located only 200 metres from the town centre and flat short stroll to schools, medical centre and sporting facilities, with a park directly across the road. A grand home in its day and in need of some modernisation, yet able to be lived in comfortably and renovated over time. An updated kitchen is a true family size, with a peninsular bench, electric oven and cook top and pantry. Three large sized bedrooms towards the rear of the home, one adjoining the 2nd bathroom that could easily be converted into a private ensuite. Central bathroom with bath, shower and vanity. 2 living areas one with a built in bar with and the other off the kitchen, a formal dining area and a 4th bedroom / study off the dining area. A large internal laundry and separate toilet. Externally is an undercover entertainment area off the kitchen, a two car carport under roof line and a concreted rear yard with raised garden beds and a double car shed / workshop area with power and concrete floors. A true family sized home in a great location. Contact our office to arrange a private inspection.
