Set in a whisper quiet cul-de-sac, this superb home is the ultimate pad for the smart investor or the savvy first homebuyer. Having just been professionally repainted the home showcases light and bright living spaces and a brilliant floorplan. Built in 1989 the home boasts easy care gardens and an attractive street appeal. There are two distinct living areas with a tiled lounge with a large window allowing the light to stream in to the front of the home which flows through to the open plan kitchen/family room with a terrific ENORMOUS enclosed patio which is an amazing place for big scale entertaining. There are three bedrooms with the master bedroom a good size along with a semi renovated bathroom offering a new vanity. The outdoor area is impressive with extensive paving and established trees all overlooked from the patio area. There's heaps of room for the kids and pets to run and play.
