Situated on the high side of the street in this sought after Blue Ribbon location and offering a blank canvas, this double brick property represents an exceptional opportunity to a wide range of buyers. Substantial 562.5m² block with an impressive 15.5m frontage offers a world of opportunity. The existing home can be lived in, renovated, extended or be the ideal site to build your dream home, the choice is yours. Features of the home include* Double brick construction.* 2 generous bedrooms.* Large formal lounge.* Neat kitchen.* Polished floorboards.* Wide side drive to a lock up garage.* Enormous entertainers back yard. Home buyers will love the solid construction and ability to add their own personal touch either through renovating the existing home or extending to their own requirements. Those wanting to build their dream home will appreciate the large wide fronted block on the high side of the street. Investors will appreciate the opportunity to add value with granny flat potential (STCA) and the high rental return in this sought after location.
