Brand New Designer Home with all the Whistles & Bells

Cleverly designed to maximize practicality, this brilliant family home exhibits connected spaces that perfectly balance functional indoor living with a connective flow through slider doors to the outdoor zones. This executive-style home is impressive in size and design. Built with entertaining and large families in mind or perfect for an executive couple wanting expansive living area.

The stunning residence will impress even the most fastidious buyer and leaves nothing to be desired... Walk into the main entryway to the open-plan family living zones which are filled with natural light and flow effortlessly to the massive outdoor alfresco. The enormous kitchen will delight the chef of the home with an electric cooktop and electric oven. There is an abundance of bench space and storage as well as a large pantry your friends will be envious of.

The kitchen overlooks the dining area and the large living room, flowing seamlessly to the back patio there is no better place to entertain and enjoy the magnificent weather all year round.

With good side access the large back yard there is room for a shed and pool.

There are 4 generous bedrooms with the private master suite having a spacious walk-in robe. Two other bedrooms are king-size with built-in robes. Fully airconditioned, 4 bedrooms and main living.

The main bathroom has a large vanity and there is a separate toilet which is perfect for large families or when you have guests over. The home has air conditioning for those hot summers.

Finding a home of this size is rare and the location couldn't be sweeter.
