Grandly Scaled with Glorious Ranges Views

A masterpiece of manicured perfection in the bowl of a quiet court, this spacious family home captures majestic Dandenong Ranges views and encourages you to live happily ever after in this prized pocket.

Promoting easy-care appeal, polished floorboards entice you from the wide entry foyer through to the living and dining zone where you can relax with guests, while the family meals zone sits beside the kitchen boasting a breakfast bench and stainless-steel appliances.

Creating a haven for entertaining throughout the year, the lounge room is warmed by a fireplace and spills out onto an entertainer's patio and backyard boasting fruit trees (orange, lemon, mandarin, lime, sugarplum, grapefruit, persimmon, olive, peach) and self-watering raised vegetable gardens.

Granting ground floor convenience, guests can be accommodated in the 5th bedroom with ensuite, while the four robed upstairs bedrooms encompass a master bedroom with walk-in-robe and twin vanity ensuite with double shower.

Further complemented by the extra benefits of a family bathroom, separate toilet, powder room, laundry, ducted heating, reverse cycle air conditioning, 21 solar panels, two outdoor sheds plus a double garage with drive thru access to a carport.

A peaceful family haven, close to Templeton Reserve, childcare, Wantirna Primary, Wantirna College, The Knox School, playgrounds, bus stops, Westfield Knox Shopping Centre and EastLink.
