Serene Coastal Living

Privacy and space will define your new coastal lifestyle, with this sprawling single-level family home having both in abundance. It sits in a sought-after pocket in a peaceful, established suburb, boasting lush green gardens and a solid, dependable build. This is a home where happy memories are made and treasured! Sitting on a large battleaxe block accessed from a quiet cul-de-sac, this is your haven from the hustle and bustle of daily life. The expansive paved driveway offers ample parking to complement the double lockup garage, while the homely, exposed brick façade makes you feel welcome from the moment you arrive. Entry is into the expansive and open-plan kitchen, dining and living area, an ensemble of breezy spaces that enjoy a seamless flow throughout. A mix of tiles and floating floors stretch from wall to wall, while a standalone fireplace ensures warmth in the winter to complement the air conditioning in the summer. The kitchen has a range of quality appliances to go with the masses of bench space and ample cabinetry. There is easy access through the dining room to the enormous alfresco area, a paved and covered area that entertainers will love. It opens out to the lush, green and well-tended backyard. The three generous bedrooms all have built-in robes, with the master also having a walk-in robe and an ensuite bathroom with a double vanity and shower. The main bathroom shares a similar aesthetic, while boasting a large corner bath and separate shower. There's an internal laundry too, with direct external access. A short drive from Stockland Forster Shopping Centre, you're well positioned in terms of shops and amenities.
