Modern, tranquil and ever so private, this exquisite three-bedroom single-level red brick period residence has been transformed into an urban oasis with its cosmopolitan interiors and seamless communication between indoors and the glorious north-east facing courtyard. A wonderful space for both entertaining or quiet relaxation, the courtyard mirrors the serene internal environment with elegant paving framed against an exposed brick wall that is visually stunning whilst facilitating privacy. Bifold doors connect the courtyard to the open-plan living and dining zone for superior indoor-outdoor living. The granite kitchen is primed for entertaining with a new freestanding Westinghouse stove with 6 burner cooktop, Bosch dishwasher and servery splashback opening to the fresh air. Three double bedrooms adorned with plantation shutters, include three with built-in robes and two with split system air conditioning; while the spacious bathroom is washed in northern light. Capped off with a European laundry and high ceilings, this superb home delivers a fantastic lifestyle. Set in an attractive period streetscape, the tucked away setting is tightly-held and celebrated for its proximity to trams and Windsor and Prahran stations, Chapel and Greville Street's cafes, shops and bars, the new Prahran Square, Prahran Market, Albert Park Lake and Prahran Secondary College.
