Matthew Makin

Classical Style, Modern Luxury on 1977m² (Approx.)

Modern elegance is exemplified by this five bedroom plus study, two bathroom plus powder room residence. Colonial style with a full-width veranda, a genuine leadlight front door, and bevelled French glass doors to the interior, the home exudes classic style with a contemporary sheen, set upon its almost ½ acre holding just outside the centre of Gisborne.

Expansive open living flows to the dining area and breathtaking kitchen, with additional living in the lounge positioned to the accommodation wing, as well as a covered outdoor entertaining area with a Matador plumbed inbuilt BBQ and stone servery. The kitchen showcases premium stone surfaces, white shaker-style cabinetry, and premier appliances including a Bosch dishwasher, 900mm-wide SMEG oven and 5-zone cooktop, and also boasts a large walk-in pantry.

Spacious and lavish, the main bedroom features a large walk-in robe and luxurious ensuite, with a twin vanity, shower, and WC. The remaining four bedrooms are positioned to their own wing and feature a walk-in or built in robes respectively, serviced by the main bathroom offering a shower and bath, and the powder room. A generous home office is also placed to the front of the home.

Gorgeously landscaped, the garden includes a mini orchard and raised veggie beds, with a gated side driveway allowing excellent access to the high clearance powered, concreted shed with a hoist. Also included is an integrated double garage, ducted heating, ceiling fans, reverse cycle air conditioning, a large laundry, and a 10,000L water tank.

With a short walk to open green spaces at the Willowbank Estate Playground and Wyralla Reserve, as well as Gisborne Secondary College, with bus services or a short drive accessing Gisborne township with additional schools, shops, cafés, and restaurants. Close to wineries, the golf course, and the aquatic centre, enjoy leisure and serenity with premium comfort in a fantastic location.
