Price Guide \$795,000

Located in the highly sought after Mount Pleasant Estate subdivision, this impressively designed family home is set on a well fenced 763m² block. Built in 2013 the house has recently been enhanced by a substantial solar system. Importantly it is in close proximity to schools, shops and transport. The sun filled spacious open plan family area forms the central hub of the home and the kitchen is well laid out with quality appliances including a dishwasher, ample cupboards plus a walk-in pantry. A separate second living area makes an ideal media room. The master bedroom has a walk in robe and ensuite. The other 3 bedrooms all have built in robes. Access from the family area to the indoor/outdoor undercover area connects to a fully landscaped yard making entertaining a delight. This home has a large reverse cycle air conditioner which can be ducted to all rooms as required for the perfect climate control, ably assisted by stylish plantation shutters. The double garage has a remote door with large built-in cupboards for storage with internal access to the home as well as a rear access door to the yard. There is also a second driveway providing additional secure parking for your caravan, boat or trailer. Call today to arrange your private inspection.
