Booking and Applying via RealWay – We make it easy! Our aim is to make inspecting properties as easy as possible. Click on the “Request Inspection” section just below the price per week. This will allow you to book an inspection at the very next inspection time available. In the rare event one doesn't exist, it will automatically allow you to contact the office to request a time. When it comes to applications, our preferred method is 2Apply. If you already have an application ready in 2Apply our leasing team will provide the properties unique code after the inspection. If you haven't our team can provide application details on inspection. Our office aims to process all applications in less than 48 hours and make your journey as easy as possible. We do process sight unseen applications for people moving to the area who are unable to inspect, contact the office to do so. School-Aged Children?
