Renovated four bedroom, two bathroom period home on a large allotment of around 780m<sup>2</sup> in a prime Central location. This position is popular for its proximity to the CBD and abundance of green spaces, parks and playgrounds. The property has enjoyed a recent renovation making it a large home with four bedrooms, two bathrooms, a large period formal living area, additional open plan living area with meals and kitchen complete with an internal European laundry. There is also a second separate lounge room. The two bathrooms have both been completely modernised. The house is also serviced by gas central heating, wood fire and a split system for heating and cooling. Outside you have a large rear yard with a plentiful garden with lawns, mature trees and places to entertain all year round. There is a lock up single car garage and plenty of off street parking to complete the property.
