This 3 bed, 1 bath home built in 1984 is truly a hot property. Its beautifully presented interior and generous floor plan make it an appealing package for any potential buyer. The modern kitchen, open plan meals and family area, separate lounge room, and formal dining room all add to the spacious and comfortable feel of the home. The bedrooms are all a good size and the master bedroom and second bedroom both feature built-in robes. The modern bathroom boasts a separate shower and bath, perfect for relaxing after a long day. Additional features of this home include ducted evaporative air conditioning, a laundry with ample storage and linen cupboard. Outside, the 734sqm block offers a patio entertainment area, brick workshop, carport, and side access to the rear of the block. The location of this home is also a major selling point. With easy access to public transportation and proximity to schools and parks, it is perfect for families with children or anyone looking for a convenient and hassle-free commute. Furthermore, its proximity to the Perth Airport (T1 and T2) and the CBD makes it an ideal choice for frequent travellers or those who work in the city. Overall, this property offers the perfect combination of location, potential, and value, making it a must-see for anyone in the market for a new home or investment property.
