Set on a large allotment (approx 697sqm) with valley views, this one-owner home provides an amazing opportunity for those looking to renovate, renew or redevelop (STCA) – all in a quiet cul-de-sac with parkland at the end of the street. Well-presented throughout, the home's current accommodation includes three bedrooms (large main) all serviced by a neat bathroom, internal laundry and separate WC. Add to this a sunroom/study, sizeable central lounge and separate dining room leading through to the kitchen complete with freestanding Smeg oven. Other features include a reverse-cycle split-system air conditioner, ducted evaporative cooling and solid hardwood floors, plus an expansive north-facing backyard with double garage, double carport and vast under-house storage area. A short stroll to Strathmore North Primary School, Lebanon Street buses, Kahve Cafe and the Moonee Ponds Creek Trail, it's also close to Strathmore Secondary College (zoned), as well as easy access to Pascoe Vale Station and Citylink.
