\$469,000 - \$489,000 guide

Stunning in every way, the post flood restoration of this character filled home simply cannot be faulted. Featuring gorgeous stained glass windows, beautiful timber floors, VJ lining boards and ornate finishes, the soul of the home will wrap you up and hold you tight. With a commanding street presence, accommodation is by way of three spacious bedrooms, the main with built in storage. The central lounge room is large enough for whole family while as you move through the home, the open plan kitchen and dining provide modern comfort. The kitchen compliments the home and features ample cupboard and bench space, this gentle, soft space flows through to the dining room, filled with light and with direct access to the rear deck. A combination of function and luxury, the bathroom is privately tucked away at the rear of the home, the detail and finishes right throughout the home are an absolute standout. Solar panels keep the energy bills in check while downstairs is tandem car accommodation, loads of additional storage, along with an additional rumpus room/studio space, ideal for those who work from home or the perfect teenage retreat, also an additional shower and toilet is downstairs for added convenience. Wander through the gardens or simply sit and enjoy from the view from your choice of front or rear decks - this one really offers something for everyone. If old world charm and outstanding value is your thing, do not miss your chance to inspect this one.
