Escape to your own slice of paradise at this stunning property, boasting the perfect blend of luxury, comfort, and natural beauty. Nestled on a fully usable 5-acre block with North Pine River frontage, this is more than just a home – it's a lifestyle! Indoors, discover spacious living with four bedrooms plus office and three bathrooms, providing ample space for the whole family and guests to spread out and unwind. The heart of the home is the modern kitchen, where you can whip up gourmet meals in style with sleek countertops, top-of-the-line appliances, and ample storage space as well as a butlers pantry. Featuring a large combustion heater in the center of the home, it is just perfect for those cold winter nights. Step outside to your very own outdoor oasis, complete with an inviting inground pool surrounded by lush greenery, manicured lawns and breathtaking views from the front two verandahs which offer spectacular views to the surrounding mountains. For those who love to tinker or pursue hobbies, a versatile shed 7.5 x 6.2m provides ample space for storage or can be converted into a workshop or hobby area, offering endless possibilities. With 5 acres of fully usable land, the property offers expansive grounds perfect for creating your dream outdoor space – whether you envision a thriving garden, space for pets to roam, or room for outdoor activities and adventures. Conveniently located within a short drive of local amenities, schools, and shops, yet secluded enough to offer the privacy and tranquility you crave. Embrace the best of both worlds with a peaceful country setting and conveniences just a short drive away. Property Features;- .
