Secluded on Old Bangalow Road this unique property with ocean views and beautiful lush surrounds is only a moments drive to the heart of Byron and its beautiful beaches. This Californian Villa style home with 3 generous sized rooms, all en-suited, captures the green tops of the trees and blue shimmering of the ocean from the oversized windows featured in the lounge room. High ceilings give the home a generous flow through an open plan design and bi fold doors slide away opening out on to a spacious internal courtyard and in-ground swimming pool. A large fire place in the lounge area sets a backdrop for a divine night in or sink in to the bathtub outside on the Juliet balcony for a night under the stars. The downstairs bedroom is completely separate and could be perfect for guests. A double garage adjoins an art studio or perfect home office, separate media room or gym/spa. The property is also only a short 1 minute drive to the famous Roadhouse Cafe. A separate entry to the property reveals another garage outbuilding which has been converted in to a self contained studio that sits approx. 50m from the main house also with great views to Broken Head.
