## **Huge Block**

Updated and beautifully presented, this gorgeous home is ready for its new owners. In the lounge room, a soaring raked ceiling with timber beams creates a striking statement while high windows allow an abundance of light to fill the room with timber floors adding a touch of warmth.

The beautiful kitchen has been updated and now offers plenty of storage and views over the backyard plus a dining space that opens out to the sunny rear patio. There are three bedrooms, two with built-in robes and all with easy access to the updated, central bathroom with a bath and a separate toilet.

A laundry with a linen closet completes the internal layout while extra features include ceiling fans in all the bedrooms, ducted air-conditioning and fresh paint throughout.
