Chic coastal living with convenience

This beautifully renovated home captures a relaxed coastal lifestyle with its contemporary design, natural light, and upscale finishes. This home stands out with its prime location directly across from Peninsula Reserve, featuring an oval, dog park, and playground with a family friendly atmosphere with John Paul College only a short walk away. It offers a quiet yet convenient spot with easy freeway access and proximity to both essential and additional amenities.

At the heart of this extensive renovation is a chic coastal color scheme, complemented by a newly rendered facade, internal VJ panelling, and engineered timber flooring, creating a unified aesthetic. The open and airy layout enhances family connections within the living and dining areas, seamlessly flowing into a sleek, modern stone-finished kitchen. This culinary space includes a walk-in pantry, modern electric appliances, and a stylish herringbone-tiled splashback.

A north-facing covered alfresco area extends the living space, ideal for entertaining, while a versatile secondary lounge can double as a fourth bedroom or office if needed. The master bedroom, overlooking the park, features an ensuite and built-in robes, with two additional bedrooms also having built-in robes. The main bathroom includes a feature tub, floating vanity with under-bench storage, shower, and separate toilet.

Additional features include split-system heating and cooling, new carpet, landscaped gardens, and a double carport. This impressive home is conveniently located near Frankston East and St John's Primary Schools, Wingham Park, Beach Street shops, and Karingal Hub.
