## Beautiful Brick Home on a Large Corner

More Photos coming later, but if you are looking to buy feel free to call me as we may be able to get you inside by appointment earlier.

This quality home built by local builder, Wahstedt Quality Homes, in 2005 offers stunning appeal with beautiful brick work done by local trades. This brick steel frame home consists of 3 large bedrooms, with huge master bedroom having a large ensuite and walk in robe. Bedrooms 2 and 3 all have built in robes which are of a good size. The kitchen is central and offers new wall oven and new dishwasher, electric cooktop and rangehood, as well as heaps of cupboards and a large pantry. The main family room/dining area is spacious with tiling throughout, and the front formal lounge is carpeted. The main 3 way bathroom has separate vanity, toilet and bath and shower. Plenty of linen cupboards as well. Reverse cycle ducted Fujitsu air conditioning services the whole home.

The features of this home continue outside, as you leave the family room your are greeted with an under cover outdoor living area that can be closed off with track blinds to stop any wind etc, allowing you to live outside all year around. There is a single auto roller door garage under the main roof. There's a 30ft x 20ft boat shed, plus garden shed and shadehouse and 9000L of water is plumbed to the kitchen.

This home has great street presence and room to move with your toys. Details by appointment only with Greg Smith.
