**\$595,000**

This grand old lady built Circa 1900 has been nicely refurbished throughout with some lovely original features and new ideas. All three bedrooms are large and roomy with the master enjoying loads of storage and directly across from this room the lounge has a lovely bay window to attract the morning sun. Numerous sheds are scattered across the backyard and with plenty of undercover storage for your items of value. Positioned conveniently close to schools, bus routes, the CBD and the relocated University, this home will undoubtedly attract attention. Off the rear of the home a wonderful converted rumpus make an ideal second living area or a games room for the kids. Additional features include; Solar panels 2nd Living area, updated kitchen, polished hallway floors, choice of heat pump and wood fire, no lawn at the rear to maintain and very secure. An ideal family home for the larger family .
