In an idyllic, secluded location, this charming country home was crafted entirely from timber sourced on-site, including Rose gum, Maple, Cedar, and Kauri. Spanning one hectare, the property features an easement to the Millstream River and includes a self-contained studio unit with a bathroom and kitchenette, as well as a five-bay shed. This unique property offers five spacious bedrooms and two modern bathrooms. Thoughtfully designed to provide two separate living areas under one roof, it ensures both privacy and flexibility for its residents. On one side of the homestead, the primary living area boasts three comfortable bedrooms, a stylish bathroom, and a convenient laundry room. The front deck overlooks stunning fields and mountains, perfect for morning coffee or evening relaxation. At the opposite end, a self-contained unit awaits. This cozy space includes two bedrooms, a fully equipped kitchen, and a modern bathroom. Its front veranda provides another peaceful place to enjoy the natural beauty of the property. The drive-in is lined with beautiful native trees, setting the tone for the serene environment that lies ahead. The property also includes a barn shed, ideal for storing camper vans, machinery, and vehicles, as well as a Colorbond shed. This versatile space, set nicely away from the main house, holds great potential. It could be converted into a studio, a work-from-home office, or even a teenage retreat, as it is fully powered and ready for any creative project. Water is plentiful at this homestead, thanks to six water tanks providing a reliable supply. For those with a green thumb, established off-the-ground vegetable patch boxes are ready to grow fresh produce. The entire property offers an unparalleled sense of privacy and seclusion, making it a true nature lover's paradise. This Queensland homestead is more than just a place to live—it is a lifestyle. Whether you are looking for a comfortable family home, a peaceful retreat to work from, or a place to reconnect with nature, this property has something special to offer.
