You step into a world of tranquility and beauty as you enter this newly built house with stunning Balinese style decor. The peaceful ambiance is immediately felt as you walk through to the beautifully crafted and well-appointed kitchen, perfect for creating culinary delights or hosting gatherings with loved ones. There are two ensuite bedrooms offering a private retreat, each with their own luxurious bathroom for ultimate relaxation. There is also a third bedroom or study/work from home office. Outside, a productive garden provides a serene backdrop, ideal for growing fresh produce or simply unwinding amidst the lush greenery. A large shed/workshop offers ample storage space for a multitude of pursuits. The block is level, ensuring easy access and plenty of space for boats and caravans. Balinese style living embraces the serenity and elegance in this beautiful home, where every detail has been carefully curated to provide a sense of peace and harmony. Don't miss the chance to make this complete, stylish rendered home yours! Call today to arrange your private inspection.
