Huge Townhouse, Easy Living

Easily one of the biggest townhouses you will find, and an easy care yard to find you more spare time. This extraordinary townhouse delivers exceptional space internally, and exudes an air of quality and style throughout. Creating a striking first impression are solid timber floors, high ceilings and generous living areas that comfortably accommodate oversized lounge and dining suites. There are four impressive size bedrooms. The main bedroom offers a luxurious feel with an executive suite style double entry door, walk-in robe, ensuite and own balcony so you can step outside for that wake up burst of fresh air. The fourth bedroom also features a balcony, creating an optional second living space for either your additional lounging or sleeping requirements. There's also a modern kitchen featuring gas cooktop, ducted air conditioning to maximise comfort throughout, third toilet, solar power electricity to reduce those dreaded power power bills, ample storage and water views. Perfect size courtyard offering blissful space to entertain in sun or shade outdoors, manageable grass and garden area, double garage plus third car space adjacent to your door, to suit a small trailer or boat. Quietly tucked away at the rear of this boutique complex with secure gated entry. Only five minutes walk to the fabulous Long Jetty foreshore. Clubs, cafes and shopping are all close by. You won't find too many like this.
