The luxury of choice. It is the ultimate aspiration. A supreme freedom. And it is waiting for you at Villa BE. A landmark Luggier Bay estate that hovers high above the golden coastline, it lingers amongst a tropical tapestry. Secluded, sprawling and sophisticated, perfection is promised – as are picture-perfect panoramas. Basking in endless ocean views encompassing the silhouettes of Dunk and Bedarra Islands, they are mesmerising, magical, and symbolic of a blessed life. The home rises magnificently to the occasion too. Architecturally ambitious, it's curated with only the finest finishes and provides a sumptuous setting to live your dream. Whether it be breakfast beneath the frangipanis, sunset cocktails in the resort-style pool swim-up bar, a decadent soak in the open-air stone bath, or hosting guests in the alfresco entertaining pavilion, you alone have the privilege to decide. Alternatively, steal away to stroll the famous Kennedy Walking Track, meandering through coastal rainforests, beaches and headlands, gazing upon the Family Group of Islands. Should you wish to share this sanctuary, the home accommodates up to 16 people across five palatial bedrooms and bathrooms, fully furnished and complemented by a gourmet kitchen and butler's pantry plus multiple living and dining zones – all of which gaze upon the natural beauty of Luggier Bay and Kennedy Bay. Immersed within pure privacy on 3.19 acres, Villa BE promises the exclusivity of your own island but with the benefit of easy access to essential amenities and infrastructure. There's no waiting for boat transportation or deliveries. Simply slip away by car to stock up on supplies or indulge in a fresh seafood feast at neighbouring Elandra Resort, home to the region's finest restaurant. The Great Barrier Reef and the Wet Tropics rainforest are on your doorstep too, providing easy access to two World Heritage wonders. For a fuss-free arrival and departure, helicopter access is available, or use Cairns Domestic and International Airport, approximately two hours away by car.
