Exquisite Custom-Built Masterpiece with Unrivaled Craftsmanship and Luxurious Finishes

Introducing an extraordinary custom-built masterpiece at 8 Beresford Avenue, Gledswood Hills, where impeccable craftsmanship and high-caliber finishes combine to create a truly unique family home.

From the moment you step inside, the impact of the soaring 4-metre ceilings will take your breath away, bathing the home in natural light courtesy of a thoughtfully designed roofline. The open-plan layout effortlessly blends style with functionality, focusing on light and space. The stunning lounge room boasts custom gyprocing and joinery, featuring a showpiece glass fireplace that adds a touch of modern elegance.

The state-of-the-art kitchen and dining zone is the crown jewel of the home, highlighted by approx 5-metre raked ceilings. With custom joinery and cabinetry designed for symmetry, this culinary space is completed by stone waterfall benchtops, exceptional storage, a walk-in pantry, an additional sink, and dual built-in ovens-perfect for entertaining and everyday family living.

Each of the four generously sized bedrooms is designed with comfort in mind, featuring built-in robes, plush carpet, and blinds throughout. The luxurious master suite offers a walk-through fitted robe leading to a private ensuite, finished to perfection.

The three elegant bathrooms feature stunning floor-to-ceiling tiles, frameless shower screens, and custom vanities with ample storage, showcasing the home's attention to detail.

For those who love to entertain outdoors, the property boasts two alfresco areas overlooking an easy-care backyard, providing the perfect setting for relaxed outdoor living.

This one-of-a-kind home is a true blend of luxury, design, and function-don't miss the opportunity to call it your own!
