## ENTER WITH IMAGINATION AND ENJOY THE VIEW

A blank canvas with limitless opportunity to make this property your own. Set on a comfortable 557 sqm block of land and almost entirely original, it is ripe for a knock-down rebuild project. On the other hand, with three suitable bedrooms and a large open floorplan, renovations could easily turn this into the perfect family home.

And nestled in quiet backstreets, this tranquil property also enjoys a stunning backdrop of Parramatta skyline views above the treetops of the bush nearby.

Features of 8 Burlington Street, Northmead include:

- 557 sqm block of land
- Wide access to rear yard
- Views of Parramatta skyline over trees in backyard.
- Scope to knockdown rebuild or renovate.
- Three bedrooms
- One bathroom
- Two large living spaces

Don't miss out! First open inspection Saturday @ 11am
