Renovator's Delight!

Nestled in the heart of Gympie is where you will find 8 Chapple Lane. Positioned on a flood free block and in a light-industry zoned area, this home is suited to those looking for their next renovation project! Within walking distance to the CBD, local schools, the Mary Valley Rattler, shopping precincts and medical facilities, one look is all you will need to see the potential that this property has!!

Our favourite features are:

- Great sized 1366m² block of land and flood free!
- Zoned as Light Industry
- High ceilings throughout the home
- Four good sized bedrooms
- Separate lounge room + two additional sunroom areas that could be used as a home office area or play area
- Large separate kitchen area with dine-in option
- Main bathroom with shower and vanity plus separate wc
- Two small car accommodation underneath the home with storage space and the laundry
- Separate single lock up shed suitable for a car or workshop space

If you're looking for your next renovation project, then make sure you inspect 8 Chapple Lane. The possibilities here are endless. Arrange your personal viewing by contacting Amy Brown today on 0484 916 524!!
