MAKE YOUR BEST MOVE TODAY

*SELLING NOW with 60 Days settlement option BUYERS who want a SECURE PROPERTY ideal for multiple generations under ONE ROOF-LINE, with out stairs or hazards, can feel safe and enjoy more time together without living on top of one another. Our SELLERS have enjoyed this HOME since building their 5 bedroom "Australian dream" complete with all the essentials for a large family. They selected a reputable builder in AUSBUILD for them to settle in June 2003. 21 years young, they now wish to commemorate a sale in June 2024, as they prepare their next journey in something to reconnect with family in a smaller home for two. If you wish to inspect this North Lakes property, before we officially go to market, please contact Paul for a video link and a private viewing today. Our first open home on Saturday the 22nd of June will be a sneak preview to a few interested parties. *Call the Agent for all the help to make the best move to a home in North Lakes on 0475554567
