STOP LOOKING! Designed with epic proportions both inside and out - this is a family home for when size does matter! Located in the heart of everything - ten minutes to the city, 5 minutes to the beach, walk to local shops with major retailers and Sunday brunch all at your fingertips! Gated at street level with side carport parking for at least two, this towering abode has formal steps leading through to the front door which opens up into a light filled informal dining room or foyer with a linen closet for your shoes and bags. The kitchen is filled with natural light and offers wrap around counters with banks of built in storage space, double door pantry and overhead cupboards as well as a dishwasher. From here you can choose to go up a level to the two supersized bedrooms with large light filled windows and a central family room. The master bedroom resides here with a private ensuite bathroom and a large walk in closet. Down the stairs is a spacious living and dining room with tiled flooring and a peep through to the level abode plus sliding door access to the side of the home and linen press storage at the far end perfect for the board games. Down the hallway there are two additional bedrooms each with a built in robe plus the main bathroom with a corner bath tub and shower combo and additional hallway linen press. A door at the far end leads through to the expansive outdoor entertaining areas with views over the in ground swimming pool and easy care tropical gardens with wide open lawns where the kids and pets can play. There is a garden shed up the very back for the mower and tools.
