## Convenient, Single Level Living

Nestled in a whisper-quiet cul-de-sac, this beautifully presented and thoughtfully updated family home makes the most of its single-level floor plan. Designed to offer a low maintenance and comfortable lifestyle, there is plenty of space and flexibility throughout the formal and informal living zones.

The master bedroom provides a welcome retreat by incorporating an ensuite, while three additional bedrooms are comfortably sized and served well by a light-filled bathroom. The generously sized kitchen is well placed for ease of entertaining and flows effortlessly to the living and dining areas where newly laid flooring and freshly painted interiors showcase appealing, neutral tones and add a fresh and cohesive element. The covered outdoor entertaining area captures a sundrenched north-easterly aspect, perfect for alfresco dining and year-round relaxation.
