Located in a quiet street on a large block, this family home will impress as soon as you enter. With polished concrete floors upon entry, leading through to a recently new kitchen and open plan living area, the home is well zoned for all the family. The master bedroom with ensuite and walk in robe is to the front of the home, with a second bedroom with built in robes and a second lounge room. The other 2 bedrooms are to the rear of the home providing privacy for the growing teens. Both living areas are carpeted for warmth and comfort, along with ducted heating and cooling. The highlight of the home awaits you outside! Enjoy those family gatherings under the large decked alfresco area overlooking the inground pool area. Double garage and separate garden shed complete the outdoor area for you.
