Welcome to this unique opportunity to own a 3-bedroom home with plenty of potential for customisation. Situated on a good-sized lot, this property is perfect for those looking to customise and create their dream home. The house includes a kitchen and functional bathroom with a separate toilet. Though the kitchen will need some remodeling and the walls require sanding and repainting, with a little attention this property could be a great investment at a bargain price. This property includes a Large shed with carport, plus two smaller sheds with one being transformed into a chicken coop. With a bit of work, this house can be transformed into a beautiful, personalised home or investment property. Don't miss out on the chance to make this property your own! Viewings by appointment.
