'Tinglegrove' adjoins the Peter Gros reserve atop Weedon Hill with its giant granite outcrops, midway between town and Ocean Beach. Dotted with tingle and karri trees, this circa 1990 three bedroom, two bathroom double-brick and iron home sits on a whopping 4,005 sqm block that rises dramatically from the road. Craftsmen built, it's finished with solid jarrah cabinetry, enjoys slate floors, a warm log fire, robes to all bedrooms and gas appliances. To be sold 'furnished', other extras include a huge 11m x 7m garage/workshop with dual driveway access, a separate studio, a gazebo with views to the horizon and a fire sprinkler system. 'From \$750,000'. Contact Ian Carter on 0427 409 500.
