An inspiring Spanish-Mission-style home that has undergone a thoughtful and modern architectural transformation while retaining the charm of its era. It offers a perfect blend of historic aesthetics and contemporary functionality. With spacious interiors, the property comprises of three generous bedrooms, each with built in robes, 2 designer bathrooms, Formal and informal living area and an additional pool room/4th bedroom/office. The open plan kitchen/meals/living area is filled with natural light, creating a bright and inviting space. This open design encourages a sense of connectivity and a modern way of living. The kitchen is a standout feature with a huge curved concrete island bench that not only serves as a functional space but also as a design statement. It is well equipped with integrated appliances, including a fridge/freezer, oven and built in microwave. All 2 Pac finishes, soft closing cabinetry. The combined butlers pantry and laundry offer practicality and convenience for everyday tasks. The inclusion of a concealed office space adds a level of flexibility for work or study. Further the property boasts a solar heated pool complete with adjoining alfresco and pool house with servery area, the pool house could also act as a 4th bedroom/office. Ducted heating and cooling system ensures all year round comfort, pool & garden maintenance included monthly. **If this property is of interest to you, please ensure that you register your interest by clicking on the 'Get in touch' button, so that you are kept up to date with inspections, price changes and similar properties that may be suitable.
