Large 577sqm block just 2 mins walk to popular Parkmore Shopping Centre

This traditional triple-fronted brick veneer single storey home is perfectly positioned on a large 577sqm block, framed by an eye-catching solid brick boundary wall with Romanesque pure white piers. The neat lawn and border gardens enhance the home's street appeal, while a long concrete driveway leads to a covered carport. The rear-positioned lock-up garage has been handily converted into a studio, offering flexibility for a range of uses.

Inside, the home is protected by an alarm system and offers a comfortable living environment with a wall heater featuring a stacker stone surround and air conditioning in the main living area. An external storage shed adds convenience, and the spacious feel throughout the home is complemented by plenty of paved space in the backyard with an open pergola structure. Raised vegetable gardens and small tree planters add a touch of greenery. Luxurious polished timber-look laminate flooring, ornate ceiling cornices and luxe glass chandelier-style lighting create a refined atmosphere.

The large L-shaped kitchen is accentuated by distressed timber shaker-style cabinetry and ample 40mm countertops for food preparation. Quality appliances, including a 900mm gas cooktop, make cooking a pleasure, while sunlight beams in via a large sliding window. The kitchen seamlessly integrates with the open dining room, which is adorned with ceramic floor tiles.

Three well-sized bedrooms enjoy the continuation of timber laminate flooring, with two bedrooms boasting built-in robe storage. The third bedroom offers potential as a study or home office. Both bathrooms in the home are highly appointed with 2000mm high wall tiles in sparkling white, mixer tapware and semi-frameless showers, providing a touch of luxury.
