Located in the semi-rural leafy enclave of Kenthurst, approx. 40km Northwest from Sydney's CBD, peace and tranquillity abounds on this exceptional five-acre corner block of arable land. Built in the practical tradition of the Australian market garden family of the 1980s, this single level solid double brick home features abundant space for large family feasts and gatherings, including a separate al fresco dining area with built-in brick BBQ for weekend entertaining. This is a once in a lifetime opportunity to obtain a magnificent piece of acreage where you can either renovate the existing property or knock down and build your dream country estate. With options for organic vegetables, free range chickens, equestrian facilities, olive groves or alpacas, you are spoilt for choice with both the land use and building inspirations. A large workshed provides storage for landscaping equipment or potential for the hobbyist or car collector. A wonderful opportunity for your family to enjoy a beautiful country-style life with all the conveniences of greater metropolitan Sydney on your doorstep. Main Features:

- 5 double bedrooms, main with walk in robe and ensuite
- 2 bathrooms, main with palatial dimensions and separate toilet
- Solid timber family kitchen with abundant storage, internal laundry
- 5 car garage with internal access and featuring its own cool room
