## **Open Plan Living with Flexible layout and Mountain Views**

Immerse yourself in the breathtaking beauty of Lake Crackenback with this stunning two-bedroom apartment. Boasting a prime northern aspect, enjoy panoramic views of Porcupine Rocks from the comfort of your open-plan living space.

Perfect for entertaining or relaxing, the modern kitchen with stone benchtops seamlessly flows into the living area, which opens onto a private balcony through stylish bi-fold doors. Stay cozy by the gas fireplace during chilly months or cool down with air conditioning throughout the year.

The two generously sized bedrooms each with ensuite, separate WC and massive third room provides endless possibilities - a media room, home office, or guest retreat. A convenient internal and external accessible storeroom and external Ski/board store completes this exceptional package.

As an owner at Lake Crackenback, you'll have exclusive access to a world-class array of amenities including a gym, pool, sauna, and a plethora of outdoor activities and watersports. Whether it's a snowy winter escape or a sunny summer getaway, this remarkable property offers the ultimate lifestyle experience.
