Once you enter this family home you will be amazed by the choice of living space. With up to 5 living/entertaining areas. Each person could have their own space to sit and relax. Personally I would take the rear family room, that overlooks the sparkling solar heated pool and gas heated spa. This four/five bedroom property offers style as soon as you enter with a formal living at the front and 3 zoned living area, plus enclosed alfresco entertaining space at the rear. The rear living areas are overlooked by a lovely kitchen with quality stainless steel appliances and stone benchtops including a full kitchen length butlers pantry. Upstairs, the oversized master bedroom is accompanied by a large ensuite to match. There are three additional well-sized bedrooms also located upstairs, each with BIRs and sharing an upstairs retreat plus a gorgeous family bathroom with a show-stopping bath. This property also offers a separate laundry, downstairs powder room, ducted heating, air conditioning & ducted vacuum complete. Within the zone for Mentone Girls' Secondary, close to a choice of quality primary & private schools and just a short walk to the beach and shops, this property is a must view.
