Sunshine On Sunshine

The heading says it all and it is what we all desire - a great address - a beautifully renovated home, and views and comfort of living to bring us joy. And do not be deceived by the quaint exterior - what is revealed is a home that has been transformed by stunning design and excellent workmanship.

- features four bedrooms and two bathrooms over two levels - perfect for the growing family
- multiple living and family rooms means you can accommodate visitors and guests with ease
- enormous picture window frames a view of Turvey Park below and beyond - a view rarely seen but always enjoyed
- magnificent hardwood timber staircase that exhibits next-level craftsmanship and sets the standard
- sparkling inground pool set amidst manicured gardens and mature specimen trees
- freestanding gazebo draped in cool shaded vines overlooks the pool - think summer sippers
- handyman's workshop downstairs is a brilliant use of space and provides amazing storage
