Everything A Modern Family Dreams Of

Inspections By Appointments Only

Cutting edge modern design and a no expenses spared approach delivers family lifestyle perfection with this four bedroom three bathroom luxury residence. Showcasing the best in architectural and interior design, this home's cohesive blend of classical elegance and contemporary sophistication wows with polished concrete floors in a double height entrance hall where industrial inspired glass flooring and huge skylights flood two spacious levels in natural light. Ground level windows usher past the first of two luxe master bedrooms and through to designer open plan living where the family can gather around the Chiminees Philippe wood heater, vast double glazed stacker doors give way to an entertainer's deck and lap pool with in floor cleaning and solar and gas heating, while a stunning island kitchen featuring stone counters, Miele steam/convections ovens, induction cooktop, integrated Leibherr fridge/freezer and luxe butler's pantry will be the star of any dinner party. A statement staircase connects to a spacious retreat with a custom study space whose private balcony makes the ideal vantage point for New Years fireworks display, while three further bedrooms with custom robes are complemented by exclusively fitted luxury bathrooms, ground and first floor master bedrooms with luxe ensuites. A fully automated smart home means you can control all major functions whilst away, and as the house is solar powered you can minimise utility bills. Excellence continues with great storage, custom laundry/mudroom, contemporary lighting, double glazed windows, polished concrete floors with hydronic in slab heating throughout entire ground floor, solar panels, heating/cooling, alarm and CCTV, and automatic gates to the garage and off-street parking. Near McDonnell and All Nations Park, High Street, well-regarded schools and the brand-new aquatic centre, this outstanding home is everything a modern family dreams of.
