Welcome to a home that radiates light, contemporary style, and convenience. From the moment you step through the stunning entry, featuring polished concrete flooring, honed Besser blocks and the sophisticated use of timber and mirrors, you'll be captivated by the attention to detail and modern design. Designed with the retiree in mind, this nearly new residence maximizes its sunny orientation to offer effortless liveability without the need for stairs. The open-plan living area boasts pitched ceilings and high windows, creating a spacious and bright atmosphere. The sleek kitchen features monochromatic detailing and a stylish splashback, combining aesthetics with functionality, including extensive storage and a butler's pantry. The master suite is a standout, featuring a large walk-through robe with fitted cabinetry and stunning en-suite with double shower. Two additional bedrooms at the rear of the home come with built-in robes and share a family bathroom equipped with bath, shower and floor to ceiling tiles. A versatile second living room can also serve as a playroom or fourth bedroom. The floor plan wraps around a central courtyard that is sheltered, private, and north-facing. The courtyard features decking with ramp access from the garage, along with feature landscaped border. The low-maintenance exterior provides more time to enjoy the nearby beaches and nature walks. Additional features include gas ducted heating, evaporative cooling, generous storage and feature cabinetry and a double lock-up garage with internal access. Leave the car at home and enjoy a short walk to shops, schools, the popular farmer's market, and community facilities. Make the most of your downtime at nearby beaches, playgrounds, walkways, and parks. Move in, relax, and embrace the Surf Coast way of life.
