The Perfect Family Home

Featuring a modern facade and intelligent floorplan, this impressive like-new home presents incredible value. Low maintenance gardens and quality features ensure you will spend less time on maintenance and more time enjoying the coastal lifestyle.

Comprising four generous bedrooms and two living areas this versatile property has ample space for a growing family. The master features ensuite and WIR whilst the remaining bedrooms all have BIRs.

The open plan living/kitchen space is a wonderful place to entertain whilst the separate lounge acts as the perfect retreat or theatre room. The kitchen boasts expansive stone bench tops and an abundance of cupboard space, 900mm oven and dishwasher.

Ducted gas heating and evaporative cooling maintain the perfect temperature all-year round.

Complete with low maintenance garden, undercover alfresco and double garage, this is an outstanding offering at an entry level price.
