Offers in the \$600,000's

Boasting heaps of parking space for multiple cars, a boat, caravan, trailers or work vans on the front driveway and down the side of the property, this impressively-renovated 3 bedroom 2 bathroom street-front home sits on a low-maintenance Green Title block and will definitely suit all types of buyers - including a budding tradesperson. A huge pitched double carport is just the start, with a fantastic side patio wrapping around to the rear of the residence and offering more than just extra parking - but further outdoor-entertaining options, too. The main alfresco covers both the back and opposite side of the home and is complemented by easy-care turf and garden beds. Inside, a spacious front lounge room welcomes you and leads through to a stylish open-plan dining and kitchen area with sleek stone bench tops, attractive tiled splashbacks and quality stainless-steel range-hood, gas-cooktop and oven appliances. The bedrooms are all large in size, whilst the well-appointed and fully-tiled bathrooms play host to a shower, toilet and powder vanity. Even the laundry is nice and functional, extending outside for drying. Only footsteps away lie bus stops, the local liquor store and a community early-education centre, with Hampton Senior High School and other excellent educational facilities also nearby. You will even enjoy a very convenient proximity to the future Morley Train Station around the corner, local shopping villages, the Galleria Shopping Centre, sprawling neighbourhood parklands and major arterial roads - for easy access to the city, Perth Airport, our picturesque Swan Valley and beyond. Contact Nigel Ross today to register your interest in this unique property. With nothing left for you to do, other than to simply bring your belongings and move straight on in, it will undoubtedly tick all of your boxes! Features include, but are not limited to:
