\$609,000

Located in this quiet neighbourhood and set behind secure fencing with electric gate is this very well maintained 4 bedroom, 2 bathroom plus study home. Enter into the large lounge area and you will find quality vinyl wood look flooring underfoot, continue into the dining area and renovated galley style kitchen which overlooks the rear yard. The kitchen features soft close doors and drawers, dishwasher, induction cook top, wall oven and a pantry. The laundry runs off the kitchen and is also beautifully renovated. Down the hallway you will find 2 minor bedrooms with built in robes and a main bedroom with ensuite. There is a 4th bedroom at the other end of the house and a study as well. The main bathroom has a separate bath from shower and there is a separate WC for convenience. The home is climate controlled by split systems, ceiling fans and evaporative cooling. The back yard has lovely views of the Western MacDonnell Ranges, undercover entertaining, 2 garden sheds and an inground pool for the warmer months. Your energy needs are met with solar hot water and PV solar with a battery. To view this home phone Toni or Drew today on 0403 201 653.
