Secret Haven in Tyrolean Village

Perched high in charming Tyrolean village, this charming 4-bedroom, 3-bathroom home offers spectacular views of Lake Jindabyne and the surrounding mountains. The property boasts beautifully established, low-maintenance landscaped gardens, providing both tranquillity and stunning scenery year-round.

Upon entering the home, you are welcomed into a spacious living room designed to capture an abundance of natural light views. Featuring soaring cathedral ceilings and three glass sliding doors, the room seamlessly connects to the front covered patio, offering stunning views and access to the garden. Adjacent to the living room is a formal dining area, perfect for entertaining, with ample space to move comfortably around the table. The flow continues into the large family room and modern kitchen, which boasts modern appliances, generous counter space, and pantry for ample kitchen storage. A bathroom from the laundry for convenience.

Upstairs, you'll find four generously sized bedrooms. The main bedroom features a walk-in robe, ensuite, and a private balcony overlooking the lake. The three additional bedrooms are equipped with large windows and built-in robes. The main bathroom includes both a separate shower and bathtub, with a separate toilet for easy accessibility. At the top of the landing, there's a study cove, perfect for a home/study office.

Ducted reverse cycle heating and cooling throughout the home ensures comfort for all seasons, while the back patio is ideal for summer BBQs. A spacious double garage provides ample storage, and a downstairs bathroom, complete with in floor heating on this level, offering both convenience and functionality. All making this home perfect for a growing family or investment property.
