Great CBD Location

This unique solid brick family home is filled with character and charm. Introduced by a radiant red front door, the home greets you with 2.7m high ceilings and classic wooden floorboards that glide into the large lounge room and continue throughout the open plan living and dining domain.

Creating a wonderful social hub, the spacious kitchen and meals zone enjoys the benefits of timber cabinetry and good quality appliances.

Meeting the accommodation needs of the family are the two light-filled spacious bedrooms, with the option of adding in a third room, including the master bedroom boasting built-in-robos.

Large lock-up garage with internal entry and gated side access to rear

Favourably situated, the home's superb location is walking distance to the ocean pool, wollongong harbour, the city centre, public transports, cafes and restaurants, and Blue Mile. Approx. 550m to primary school, 850m to Smith's Hill High School, with minutes to great parks, shopping hubs and stadium.
