UNIQUE HOME OWNERSHIP PROGRAMME ** NO INTEREST PAYMENTS DURING CONSTRUCTION ** For most first home buyers, perhaps the hardest decision is making the choice between a "ready-built" home or a custom designed home and land package. This will depend on the timeframe you have to move into your new property. If you have the time to take advantage of our new home buyer programme, then I know you're going to benefit from PAYING NO INTEREST PAYMENTS DURING CONSTRUCTION! Talk to me about the ways you can customise your new home design, SAVE UP TO \$20,000 in STAMP DUTY and enjoy the ease of building with NO EXTRA PAYMENTS UNTIL THE HOME IS COMPLETED* CALL STEVE POLDER ON 0420 886826 as there are only 3 new home packages on REGISTERED LAND AVAILABLE. I look forward to hearing from you so make an appointment to see me this Saturday 13th JULY.
